

Message From The Board

The Board of Trustees continues in its efforts to help transform the consciousness of the Board and Unity Christ Church. The Board has developed a schedule of activities that we feel will enhance the overall efficiency and effectiveness of the Board and Church, as well as allow the Board to be open and responsive to the needs of the members of our spiritual community.

This past month, we have been reviewing our Strategic Plan to determine if it continues to represent the direction that we want to go as a spiritual community. We have also been busy reviewing different types of service and volunteer opportunities to make available to the members and congregants of our community, as well as services to offer to the St. Louis community.

Once we have completed the process, and identified the direction in which we are going, we will publish the information in next month's newsletter. So please be looking for the May edition of Reflections, as we unveil new directions and new opportunities at Unity Christ Church.

As always, the Board is greatly appreciative of your loving presence, and thankful for your continued prayer support as we move through this spiritual transformation at Unity Christ Church.

One additional note: If at any time you have questions, please feel free to ask any Board member for assistance. Juankee, Trish, Lawrence, Kellie, Michael or Harry will be happy to assist you in answering any questions.

Blessings to You All,
The UCC Board of Trustees
