

Message From The Board

We have so many opportunities for celebration and gratitude this year at Unity Christ Church. This year marks the 85th Anniversary of our Spiritual Community and we are filled with overflowing "JOY". The Board of Trustees and the Unity Celebration Team have been working together diligently to create a memorable occasion and planning many wonderful activities to commemorate this milestone event. So please be looking out for more information as the plans for this event continue to evolve and unfold.

We are also happy to announce that we have begun to focus our attention on the ministerial search process. This is a great opportunity for us as a Spiritual Community to form a vision in our hearts, minds and souls, regarding what we as a community envision this individual to embody. Shortly we will be forming a search committee. We will inform you when this actual process begins and give you an opportunity to serve, if you feel so led.

We also want to take this time to give thanks and deepest gratitude to our Board members who have served us this year and now have to change the direction of their commitments. This is Trish Hughes who served as Vice-President and Michael Musielek who served as a Board member. We thank them for their time of service and we are so very grateful for the many hours spent together in planning the direction of UCC. Many Thanks, Love and Blessings to you both as you move in the direction of your Highest Good.

We also have a time of further celebration as we welcome the newest member of the Board of Trustees, Carolyn Perry. Carolyn has been a member of our Spiritual Community since the early seventies and she has served in a number of capacities at our church. Most recently, she has served on the finance committee. So, when you see Carolyn, please take time to welcome her as our newest Board Member.

We have one last celebration to mention. The Board is truly thankful and grateful to all those individuals who have signed up for the teams that we recently formed. We can only say: We love you, we bless you and we appreciate you; and we Behold The Christ in You.

Blessings to You All,
The UCC Board of Trustees
