

MESSAGE FROM THE BOARD

It has been an exciting start of the New Year, and at this time, the Board of Trustees would like to acknowledge and welcome its new members. They are Trish Hughes, Kellie Mayhew and Michael Musielak. They are currently in the process of becoming acclimated to their Board duties and responsibilities. They each bring a wonderful level of energy and enthusiasm to the Board as we move forward in 2016.

So far, they have attended two Board meetings. At the first meeting new officers were elected. The new officers of the Board of Trustees are Juankee J. McKinney, President; Trish Hughes, Vice-President; Lawrence Johnson, Treasurer and Kellie Mayhew, Secretary. They are all committed to Unity Christ Church and are motivated and ready to move our Spiritual Community forward to its Highest Good. The other members of the Board (Harry Drake and Michael Musielak) share this same vision and desire.

At our February meeting the Board made the commitment to focus its energies in 2016 on building the Spiritual Consciousness of the Board of Trustees and to foster this same evolution within our Spiritual Community. In an effort to bring this level of awareness into manifestation, the Board has chosen to incorporate the following Prosperity Affirmation into our meetings, and our daily meditations and prayers:

“We are spiritual beings, guided by the light of Truth in everything we think, say and do. We are powerful magnets, continuously attracting prosperity in all forms to Unity Christ Church. We envision many new, active members, who are committed spiritually, emotionally, physically and financially to Unity’s great work. And we affirm that everyone’s life will be greatly blessed as a result of their dedication to their spiritual path, and to our church. We are attracting all of the resources needed to meet or exceed our annual budget. The Spirit of God is working in mighty ways in, through, and as us, to do the will and the work of the Christ. For all this, we are truly grateful!”

The Board of Trustees invites you to affirm with us this Prosperity Affirmation and join with us as we consciously behold God’s Good unfolding in our Spiritual Community.

Blessings,
The Board of Trustees
