## **MESSAGE FROM THE BOARD**

The last few months have been filled with a great deal of joy and anticipation as we have all been preparing for the 85th Anniversary Celebration of Unity Christ Church. The Board of Trustees would like to take this time to extend our most heartfelt thanks to you all who have contributed to making our vision of the 85th Anniversary Celebration a reality.

First and foremost, we would like to acknowledge the Anniversary Celebration Team who worked so diligently to plan and coordinate this event. They have spent many hours in meeting to discuss ideas and making plans to create a fabulous event that we will all remember for years to come.

We would also like to acknowledge our Music Director, Alan Ernst for his commitment to the planning process and for making wonderful choices of musicians to participate in this milestone event; as well as making such wonderful choices of music that I know we will all enjoy immensely. Additionally we would like to truly thank those musicians who so lovingly chose to be a part of this celebration.

We also acknowledge all those people who have participated in insuring that the decorations for the church and banquet are perfect expressions of the consciousness that we express.

We are also thankful to those behind the scene who are coordinating this process and insuring that everything unfolds in the right and perfect way.

Above all we are thankful to you, the congregation for all for your enthusiasm, excitement and responsiveness to participate in this monumental milestone of our church. We truly appreciate the consciousness you bring which has contributed to create a Spirit filled environment here at Unity Christ Church.

We are truly thankful to be serving as your Board during this time of joyous celebration. And, lastly, we can hardly wait until the November newsletter when we can report on what occurred at this 85th Anniversary Celebration.

*Blessings to You All,  
The Board of Trustees*
