MESSAGE FROM THE BOARD

The Board of Trustees is excited and enthusiastic about a number of events that are coming your way. We are filled with great joy and anticipation as we prepare to celebrate the 85th Anniversary of Unity Christ Church. We cannot wait to share all of these festivities with you all. We believe you will be truly amazed as the history of our Spiritual Community unfolds before your eyes. All the strength, courage, dedication and commitment of our predecessors are just a wonder to behold. Our heritage is phenomenal. So as we prepare for these marvelous revelations, I hope you are all getting as excited as the Board. We look forward to you experiencing this historical moment in the history of Unity Christ Church.

We are also very elated as we begin the process of forming a search committee that will be guided by Spirit to identify yet another outstanding leader for our spiritual community. As the formation of this committee takes place, we will keep you informed of the process and the progress we are making; and of course, you may even be asked to serve. We are excited as we anticipate the new path we are taking. We are also filled with wonder as we contemplate how Spirit will move us in new and exciting ways in our quest for our new Spiritual leader. We as a Board are truly committed to allowing that Presence that resides within the center of each one of our Beings to draw forth the perfect Leader that is ordained to lead Unity Christ Church at this time.

We are also celebrating membership. This past month, we had a new member make a commitment to Spirit and join us in membership at Unity Christ Church. That new member is Lucy Johnson and we are truly thankful and grateful for the light that she brings to our consciousness. So, when you see Lucy, give her a "BIG" Unity Welcome and let her know that we honor her and the gifts she is so willing to lovingly share with our community.

One more thing we are excited about is ALL OF YOU, the members of our Spiritual Community. It gives us all great joy as we share in fellowship with you each Sunday. The Board is so thankful and grateful for the Love and Support you all bring to our Spiritual community. Words cannot express the overflowing joy that we experience as we observe the commitment that you have made to Spirit and to our church. We can only say Blessings to all you beautiful Spirits and we appreciate all the wonderful energy and gifts you bring to share.

*Love and Light,
The Board of Trustees*
