

One of our delightful Christmas songs states: **"It's the Most Wonderful time... of the year."**

Yes! December truly is a Most Awesome month... and for so many reasons.

In addition to being more aware of Loved Ones... many folks are More Compassionate in our words & actions with Loved Ones. Even strangers are often moved to share words of kindness like "Merry Christmas"... or "Happy Holidays" as we get closer to Christmas.

At a deeper level, many of us honor Advent... which is a time of preparing for the birth of the Christ. This alone makes December a wonderful month of empowerment... and of awakening to the Divinity within us at a HIGHER LEVEL than ever before. It is truly a month of great potential for our transformation in consciousness.

(Of course having free will, we can choose to honor Advent at whatever extent we are willing to 'Put God First' in our lives throughout December... or we can choose to just focus on 'outer world stuff'... and ignore the amazing opportunity that Advent creates).

Dear Ones, we are so blessed in Unity because we are "Invited" to follow the very highest teaching of "the Christ" being "Born Anew" within us. ("The Christ" is image & likeness of God within all people everywhere... whether we know this or not... whether we understand this or not - and whether we act like it or not).

Make December a "Most Wonderful time of the year" for 2017.

Honor the Advent opportunity!

Our Sunday Lessons leading up to Christmas will focus on the "Opportunities of Advent."

Love & blessings always,

Rev. Ron
