

Spiritual Tools For An Abundant Life- "The 12 Powers of Man"

Using the Powers, One Month at a Time

February — Strength

The ability to endure, stay the course, persevere.

I have the strength to accomplish all that is mine to do.

February... The month we focus on Love

Jesus gave us one commandment... to always come from Love. He said to love God above all else... to love our self... and to love our neighbor 'as our self.' Loving our neighbor 'as our self' is very important and very insightful of Jesus' commandment.

Love is always calling us to go deeper (or to GROW Deeper) into our Divine Nature. As our human nature awakens to our Divine Nature, we see the world through a greatly expanded awareness... a greater harmony... a greater compassion for everyone and everything.

Love is the essence of who we are! Love is the essence of God... & because we are created in the image & likeness of God, we are created in the image & likeness of Love!

And our purpose here on 'Classroom Earth' to WAKE UP to our True Identity (the image & likeness of God within us).

Charles Fillmore, our co-founder and a true mystic, said: "One should make it a practice to meditate regularly on love.... (affirming) '**Divine Love, manifest thyself in me**'.... This positive love (energy) breaks up opposing thoughts of hate or unworthiness rendering them null and void."

Our January Sunday Lessons have been on "Awakening to our Divinity"... and "Moving into our Divinity." **As we awaken to our Divinity, which is love... we radiate the essence of God to everyone and to everything.** As folks awaken to their essence of love, we transform the race consciousness of our entire planet.

Thank you for your important part of transforming 'Classroom Earth.'

Love & blessings,

Rev. Ron
