

MESSAGE FROM THE BOARD

The Board of Trustees is starting to think about the beautiful, colorful blossoms and the green foliage that comes with Spring. With these ideas in mind, we would like to provide opportunities for each and every one of you to become involved in the transformation of our church. As the weather becomes warmer, we are offering many wonderful opportunities for you all to share your many talents.

There are opportunities to join with the Buildings and Grounds team and get started with a little spring cleaning. We will be cleaning both the inside and the outside of our church.

There are also opportunities to join with our gardening team to help plant colorful flowers and green foliage that will serve to beautify our landscape. You will have the opportunity to plant the flowers, nurture them and watch them grow.

If you are interested in getting into contact with your Inner Child through working with children, we have opportunities for you to teach and serve in our Youth Education Department.

Yes, there are many opportunities for you to serve. So if you are interested in any of these opportunities, please contact a Board Member and they will be happy to assist you with your desire to volunteer.

As we continue to walk forward in faith, we are truly thankful that we are all on this journey together.

Happy Easter and Blessings to You All,

The Board of Trustees
