

MESSAGE FROM THE BOARD

Welcome to 2019! As we say goodbye to 2018, we are very grateful for all the growth and learning we experienced in this pass year, which has brought us to this year, 2019 filled with an abundance of Welcome to 2019! As we say goodbye to 2018, we are very grateful for all the growth and learning we experienced in this pass year, which has brought us to this year, 2019 filled with an abundance of GOOD ideas and openness to all divine possibilities. This month at Unity Christ Church, we will be continuing with old traditions as well as evolving into new ways of Being.

On **January 6, 2019**, Unity Christ Church will continue its tradition of taking down the greens from its Christmas Festivities. This activity will occur immediately following the monthly Potluck. All interested in participating in this UCC tradition are welcome. Please join us in the sanctuary at **1: 00PM**.

We will also be starting a new tradition. As we discussed in our annual meeting we will be initiating groups at our church which will be addressing the spiritual fortification and fiscal stabilization of Unity Christ Church

The first portion of this process will be starting in January. The Board of Trustees will be engaging in a visioning process. This will occur at 9:45 AM the first three Sunday's in January (6th, 13th, 20th). We will meet in the Prayer room for prayer, meditation and visualization. The focus of this process will be to allow Spirit to guide us in bringing forth its perfect divine plan and vision for Unity Christ Church. After this process is completed, groups will be formed and will start the planning and implementation phase of this process at UCC.

All are welcome to join us at these weekly visioning sessions. We encourage you all to join us as we move forward in Faith in the transformation of Unity Christ Church.

Let us daily Affirm:

“We open our Hearts, Minds and Souls to the Wisdom and Guidance of Spirit”

Blessings in 2019,

The Board of Trustees
