

## **MESSAGE FROM THE BOARD**

The Board of Trustees continues to move forward in faith as we implement the ideas that have come forth from our Transformational Process. The month of August holds many new and wonderful expressions of Spirit.

We start the month off with our Interim Spiritual Leader, Reverend Leslie Venable providing us with many insightful Sunday Lessons. Her first month here has been very positive and the Board has received many applauds regarding her lessons. We know that she will continue to provide UCC with the Spiritual food it needs right now. Again we applaud her for her willingness to support our Spiritual Community.

On August 11, 2019 we will experience our Sunday Matinee, featuring the movie, "You Can Heal Your Life. Please come and join with us at 2:00pm for an afternoon of buttery popcorn and plenty of Spiritual food and ideas.

This month we are starting to prepare for our Sacred Healing Service that will be held on October 5, 2019. This program is a joint project being presented by the Prayer Chaplains from First Unity, Unity South, Unity Church of Light and Unity Christ Church. Please plan to join the Prayer Chaplains as they present this Healing Program.

There are a number of marvelous changes that are occurring within our community, please watch for them with great anticipation and give us feedback on your experience of these new ways of being.

As we continue to move forward in faith, Let Us Affirm Together:  
"We are transformed by the Renewing of our Minds"

Blessings To You All,

The Board of Trustees
