

## MESSAGE FROM THE BOARD

As we prepare for this season of Thanksgiving, the Board of Trustees is becoming really excited, thankful and grateful for all the new beginnings and new opportunities that are evolving out of our Transformational process.

The month of November is filled with opportunities for service and to be served. We start the month with an open invitation to members to serve as a member of our Board of Trustee's. We are currently in the process of nominations and will be presenting candidates to be voted on at our annual meeting this month.

We will provide you service by inviting you to attend, **Lunch and a Movie on November 3, 2019 at 12:00 noon**. We will be viewing, "The Seven Spiritual Laws of Success", by Deepak Chopra. Lunch will be provided. Please invite your family and friends to attend as we share a meal and gain some Spiritual Wisdom together.

The **annual meeting** is being held on **November 17, 2019** directly following the Sunday service. We will be discussing a number of issues pertaining to the future of Unity Christ Church and voting on changes that will be presented to you by the Board. You will receive a letter in the mail highlighting the issues to be addressed at the meeting. Please plan to attend this very informative and important session. A light lunch will be served.

Unity Christ Church will also be participating in the **All Unity Thanksgiving Service on November 27, 2019**. This service provides the opportunity to meet and interact with our fellow Truth Students in the metropolitan St. Louis area, as well as share in a time of giving thanks in all things. This year the service is being held at **Unity Church of Light 2809 Yale Boulevard, St. Charles, Missouri. The service will start at 7:00P.M.**

Indeed we have a great deal to be thankful for this year. We are thankful for all you loving souls who continue to love and support Unity Christ Church and the message of Love, peace and harmony espoused by our founders, Charles and Myrtle Fillmore. As we continue to move forward in faith, let us know that we continue to be a beacon of light for all those heart and minds who are open to experiencing their true Being; the Presence Within.

Let us Daily Affirm: The Rich Substance of the Kingdom of God is perpetually pouring its plenty into our hearts, minds, soul, bodies and lives; and for this we are truly thankful.

Blessings to You All,  
The Board of Trustee's
