Spiritual Tools For An Abundant Life- "The 12 Powers of Man"

Using the Powers, One Month at a Time

January —Faith

The ability to believe, intuit and perceive.

Happy New Year!

It has finally arrived. The new day has dawned and the new light shines on the path that lies before us.

What shall I have in this New Year?

Do I have a dream, a goal, a desire for greater good in 2021 that is bigger than ever before?

Infinite possibilities are always available to me. I am ONE with the power of the Universe. I am ONE with the Creative power that is timeless, endless and infinite.

Am I asking for a small, medium, large, or extra-large portion of good this year?

The power is always at hand, the question is, how much good can I believe I can receive?

Jesus said to us: Whatsoever thing you ask when you pray, believe you receive and you shall have whatsoever thing you say.

What I say, what I believe. I must believe in what I say. I must know and fully embody the Truth that words become manifestations in my life.

Believe in your goals, your dreams, your possibilities and see within your minds' eye of imagination the completed vision of whatever it is that you want to receive.

Our power of imagination, coupled with faith is a combination for success in 2021.

Don't talk yourself out of the good things in life that are available to you. God is unlimited, you are therefore unlimited in potential. Go big, bold, reach further and farther than you have before.

Everything that man has ever created has come from the Invisible Mind of God. Everything that is to be comes from the Invisible Mind of God.

Draw on your inheritance as a co-creator with the power of the Universe. You are never working alone.

I am declaring 2021 to be the best year, so far, in my life.

I am declaring 2021 to be the best year for Unity Christ Church than any other year.

Join me in visioning 2021 as a year filled with love, joy, wisdom, illumination, power, and peace on Earth. Together, God and Man can do all things-so let us declare the rich blessings of an Unlimited Power to Light our way this year and receive our blessings without measure.

Rejoice! The New Year is here!

God Bless,

THE JOURNEY OF TODAY

By James Dillet Freeman

Dawn is the threshold of today.

Dawn is an open door

That sends you up a sunlit way

You have not climbed before.

But you can know God does not give

You hills too hard to climb;

His love ordains that you shall live

But one day at a time.

Let go dead yesterday's regret,

Tomorrow's phantom fear;

Live in the living now and let

The present good appear.

Even a stay at home must make

The journey of today;

Go with a willing heart and take

Love's lamp to light your way.

Prayer be the staff you lean upon;

With faith your feet be shod.

Today you do not walk alone—

Today you walk with God.

Annual Meeting, Part II

Prayer Letter

Dear Friends, Happy New Year! Welcome to 2021!

Well, we made it through 2020 (pandemic and all). I am so grateful to be able to welcome the new year with family and friends (even at a social distance). We have before us a fresh slate in the New Year. We begin again renewed in the Spirit of Christ. As we move into 2021, let's keep prayer at the top of our Goals List. Make prayer a priority in your life and a daily practice for your soul.

Faith is the first faculty we celebrate in January. Peter represents our faith, the substance of things not seen, but hoped for, that which we conceive in our belief system. We honor this faith within our being and affirm acceptance of this power. Our powers of perception help us to exercise our faith by SEEING THE OUTCOME WE WANT. Focus on what you want to see -THE GOOD IN EVERY PERSON.

Our scripture for this celebration is: Mark 12:24 Therefore, I say to you, all things you pray and ask, BELIEVE that you have received them, and they will be granted to you.

Affirmation: I keep my eye single to the good, seeing the best in myself and others in 2021!

Our prayer for the month: Sweet loving Spirit we abide in your love and exercise our faith by seeing the best in each and every one of us. We abide in your word and your love all of 2021!

Regardless of where you are in your Spiritual Journey, prayer lifts you higher and empowers you as an instrument of God. Taking the time (and it doesn't have to be long), to pray keeps you connected. Prayer is abiding in the presence of God-receiving the Christ and sharing your divinity.

Yours in Christ Mary E. Biggs, LUT
